1693-Circular Series • Ripples of Calm

Circular for serene bathroom spaces, the CALMIS widespread basin mixer redefines minimalist luxury.

Its unified cylindrical geometry strips away all excess, while the signature concentric ripple handles bring the quiet beauty of water into every detail.

Forged from premium 316L stainless steel with a brushed anti-fingerprint finish, it delivers precise dual-handle temperature control, flexible installation, and enduring performance for both residential and hospitality

1693-Circular Series • Where Water Meets Calm

**BIG SEE Product Design
Award 2026
Winner**

Inspired by the soft ripples of still water, the Circular series unifies minimalist design with functional precision.

Every concentric detail is a nod to the quiet beauty of water, while premium 316L stainless steel construction ensures enduring performance for every bathroom scenario.

From tranquil bathing rituals to invigorating showers, RIPPLE brings calm sophistication to your daily life.

1693-Circular Series • Freestanding Floor Basin Mixer

Inspired by the quiet ripples of still water, the RIPPLE freestanding basin mixer brings signature minimalist design to expansive bathroom spaces.

The seamless vertical cylindrical form strips away all excess, while the iconic ripple-textured handle anchors the piece with functional precision and cohesive family design.

Forged from premium 316L stainless steel, it is engineered for freestanding installation, perfect for freestanding art basins and large-scale luxury bathroom layouts.
